ASSESSMENT DEPARTMENT.

Captain James Steel, .. .	Collector of Assessments
John Carr, .. .	} .. . Assessors.
R. Graham, .. .	

A Tax of 5 per cent per annum, on the rent, is levied quarterly by the Collector of Assessment on all dwelling houses or tenements in Calcutta.

The Rent of Houses occupied by the Proprietors is estimated at the rent similar houses of the neighborhood are let for.

No Tax is levied on empty houses the same being duly reported to the Collector on being vacated. Public Religious Edifices are exempt from the payment of Tax.

The Assessment on all premises is taken on the rents already known. When rents fall, or the value decreases from any cause, parties may petition the Justices of the Peace, through the Clerk of the Peace, when after examination their cases will be taken into consideration. In Assessing new premises, the Assessor will serve on the proprietor a printed notice specifying the rate at which the Tax will be levied; should this appear to the owner excessive, he can, as in the above case, send the Clerk of the Peace a petition stating his objections, when his case will be brought forward and heard—should no objection be made, the rate named by the assessor will be fixed. Sessions are held quarterly for hearing all objections as to rent and any alteration made in session, whether of increase or decrease, will take place from the commencement of the next quarter and will not have any retrospective effect nor will the alteration break in upon a quarter.

When the property is occupied by Huts, built by the tenants, besides the real amount of ground rent received by the proprietor a valuation on the Huts is also made and the owner is assessed for both the ground rent and the value of the Huts, he on his part may levy the Tax, or the difference between the ground rent and the valuation, from his tenants.

On the sale or purchase of property, the purchaser should see that all balances are adjusted and proprietors should be careful to notify the assessors that such change has taken place, the assessor on being satisfied of the correctness of such information will, during the next session, insert the name of the new Proprietor in the assessment book, after which the bills will be assessed in the name of the purchaser.

The Tax is collected quarterly and in case of refusal or evasion of payment the Collector may levy the same by distress of Property of the occupier or proprietor. Parties often think it sufficient to intimate a fall in the rental to the Collector but this is of no avail, for the occupied notice in which the assessor is generally inserted is obliged to be kept in his office whilst the notice of reduction should be made to the Clerk of the Peace, if with the view to having it rated accordingly.

COMMISSIONERS DELEGATE TO HEAR APPEALS FROM THE ABOVE.

The Honorable the Judges of the Supreme Court and Members of the Supreme Council for the time being, or any three of them, one of whom is to be a Judge.

RULES FOR CHAPLAINS IN CONDUCTING THEIR DUTIES.

Extract from the Proceedings of the Right Honorable the Governor General in Council under date the 20th August, 1813.

1.—As the most natural distribution of Clerical duties seems to be that of alternate weekly attendance, the Presidency Chaplains are directed each in their turn, to perform all the surplice duties at the Church and Burying Ground, during one whole week.*

2.—That the Fees paid on account of Interment (as detailed at the conclusion of these Rules) be established into a Fund, to be collected as heretofore, by the Clerk of the Select Vestry, who is required to present his accounts of this Fund to the Select Vestry at their Monthly Meeting; when an equal distribution is to be made to the Chaplains, as a part of the ordinary business of the Meeting.

3.—With respect to the Fees arising from Marriages and Christenings, as in a Settlement like Calcutta, the rates cannot conveniently be defined, but must be left discretionary with Individuals, they are to be according to the present practice received by the Clergyman himself, and not constituted into a Fund, with a view to avoid the embarrassment which might arise, by the Clergyman having to return Monies from time to time to the Clerk, and by his having to keep accounts current between them.

* It is provided by the 68 Canon of the Church of England, that the Priest after having had due notice (i. e. the evening preceding the day on which the funeral is to take place,) shall meet the Corps at the entrance of the Church yard, &c. &c. and, by the said Canon, it is declared that the Priest shall do this, under the pain of Suspension from his Ministry for the space of Three Months.

4.—As occasions of interruption may occur to the regularity of this arrangement, when Individuals from a regard to friendship, or the ties of consanguinity, or other cause, incline more to one Chaplain than to the other, it appears but proper that these feelings should be indulged. The regular Chaplain of the Week is consequently on these occasions to give way, and expect no account from his colleague, of the emolument connected with such special calls; excepting in the case of Burials. The accommodation is mutual, and in his own turn he will reap the benefit of it.

5.—As other interruptions also to the weekly arrangement may arise from the absence of one of the parties, whether such absence be caused by necessity, or choice, the Officiating Chaplain is to receive the emoluments this Rule, however, is to be subjected, to any private amicable adjustment, that the Chaplains may make for their mutual accommodation. Should however the absentee's place be temporarily supplied by another Chaplain, the latter is to receive his share of the surplice Fees.

With respect to the rates of Fees for the Burial Service, it has been thought proper to continue to charge the same sums which have heretofore been received on account of Funeral Fees, with some modifications, calculated to relieve the lower classes of the community, upon whom the Fees formerly charged might be thought to press too heavily. With these views, the following Rules have been established, which it is hoped, will afford relief to the public, without materially affecting the just rights of the Chaplains, viz.

1st.	That the Fee for interring a Body in the Ground be, if brought in a Hearse or Coach,.....	Rs. 32
2d.	Ditto for entering a Body in a Pucka Grave, the dimensions of which are not to exceed in length 9 feet, and in breadth 5½, be.....	82
3d.	Ditto, if brought on the Shoulders, and Coffin ornamented, and interred in the Ground.....	12
4th.	Ditto, if ditto, and Coffin unornamented	
5th.	Ditto, if brought on the Shoulders, and placed in a Puckah Grave.....	24
6th.	A Tomb-stone perpendicularly erected, not to be considered as a Monument, nor if laid on the Grave, if it does not exceed two feet in width.	
7th.	A Monument, when the Ground occupied is equal to the Grave or not exceeding 10 feet in length and six in breadth.....	50
8th.	A ditto, ground double the Grave.....	100
9th.	A ditto ditto, treble the Grave.....	150
10th.	The dimensions of a Monument are not to exceed the abovementioned sizes, without the special sanction of the Select Vestry, whose duty it should be to limit the spaces occupied in the Burying Ground.	

By order of the Right Hon. the Governor General in Council,
C. M. RICKETTS, Sec. to the Gov.

FORT WILLIAM.

BY THE HONORABLE THE VICE PRESIDENT IN COUNCIL, FORT WILLIAM 24TH APRIL 1831.

No. 96 of 1831. —The Honorable the Vice President in Council is pleased to direct, that the following Paragraphs 3 to 5 of a Military Letter from the Honorable the Court of Directors, No. 97, dated the 6th November 1833, the provisions of which are applicable to the three Presidencies, be published in General Orders.

3. We direct that Fees upon Commissions granted by His Majesty to the Company's Officers, shall be hereafter collected by, and credited to, Government, in the same manner as the Fees on Company's Commissions are now collected and credited, and that the Salary to be hereafter granted to the Military Secretary of the Commander in Chief, be two thousand two hundred and fifty Rupees (Rs. 250) per month in lieu of Fees and all other emoluments.

4. We observe a great discrepancy in the rates of Fees levied from Officers of the same rank at our several Presidencies, and that those rates in most instances materially exceed the rates paid by Officers of corresponding rank in His Majesty's Service.

5. We therefore direct that the Fees on Commissions to be hereafter paid by the Company's Officers at all the Presidencies, be the same as those charged to His Majesty's Officers of corresponding rank; and that one moiety of those Fees be charged for the Company's, and the other moiety for the King's Commissions.

GENERAL ORDER BY THE RIGHT HONORABLE THE GOVERNOR GENERAL OF INDIA IN COUNCIL.

Octagonumund, 30th July 1831.

In conformity with instructions from the Honorable the Court of Directors, communicated in their Military Letter No. 97 dated the 6th November 1833, and published in General Orders "Fort William, 24th April 1831," the Right Honorable the Governor General of India in Council directs, that the following scale of Fees be collected by, and credited to, the Government, on Commissions issued to the Company's Officers at all the Presidencies, one moiety of which to be charged for the Company's, and the other moiety, for the King's Commissions.

From the 15th September to the 15th March, the Pilot Vessel's Cruise during the day between Singer Sand and Western Sea Reef, anchoring in the Night East and West of each other, in Latitude 21. to 21. 10' North.

BENGAL DIRECTORY.

Part VIII.

A

L I S T

OF THE

BRITISH, EAST INDIAN & FOREIGN

UPPER PROVINCES

OF

BENGAL AND ITS DEPENDANCIES,

(NOT INCLUDED IN OTHER LISTS OF THIS WORK.)

•
WITH THEIR RESIDENCE, OCCUPATION, &c. AS FAR AS ASCERTAINABLE.

The generally acknowledged want of a full and correct List of British Inhabitants has been so much felt and so often complained of that the Compilers of this Work have taken very considerable pains to make the List now offered to the Public as complete as circumstances will permit. They are fully sensible, however, that some errors may still exist and they, therefore, solicit all who feel an interest in its accuracy, and who may be able to give any additions or corrections, to favor the Publishers with communications on the subject.

As the whole List is kept standing in Type and is frequently published they hope, in time, if the assistance they solicit be accorded, to make it as perfect as such a List can be expected to be.

The objects of the Society are those employed in its name, namely all matters which relate to the Agriculture and Horticulture of the country. It is however the introduction of new or improved objects of cultivation from abroad, and the amelioration of indigenous modes of husbandry which it has chiefly in view. Nor are other matters of rural economy, such as live stock, the feeding of domestic animals, the culture of the silkworm, and the like by any means foreign to the Society's sphere of action.

Their own experience as well as that of similar institutions has taught them to abstain entirely from engaging as a body in any sort of experiments. To enable others to make experiments, to elicit and accumulate useful facts for the purpose of publishing them for general information, to import and distribute as widely as can be done, seeds, plants, &c. from foreign parts, to encourage by suitable prizes, pecuniary or honorary, the native husbandmen and gardeners these constitute the means by which the Agricultural and Horticultural Society of Calcutta have endeavoured and will continue to exert themselves to be of service to the community at large.

The Society reckons among their numbers a considerable number of Gentlemen both Europeans and Natives and since their means of useful exertion are derived almost entirely from the support which they may have from the public at large, their usefulness must necessarily depend in a great measure on the numerical extent of their contributing members.

Donation on Entrance Eight Rupees: Quarterly Subscription Eight Rupees.

Meetings of the Committee are held at the Old Church Rooms, twice in each month, to hear and decide upon cases; and to consider such matters as may be brought before them.

Every applicant for relief, after the registry of his case, is required to point out his residence to the Inspector, and is then referred to the Visiting Member, whose duty it is to make a report upon the case for the consideration of the Committee at the next ensuing meeting.

Upon the admission of any applicant to the benefit of the Funds, he is furnished by the Secretary with a Ticket, stating the period for which he is to receive relief, and the amount of Pension, and a concise description of the individual. This Ticket is produced upon each pay day.

Able-bodied individuals who, from the peculiar circumstances of their cases, may be considered deserving of relief, are referred to the Central Committee, with such temporary assistance as the exigency of the case may appear to require.

Turns of Inspection.—Four months in the year for each Member,

Meetings of the Committee are held once a fortnight, upon alternate Wednesdays, or oftener if necessary at St. James's Church. Applications for relief are registered by the Secretary, and sent for inquiry, and report, to the members, according to their turns of inspection, and the Sub-Division in which the applicant may reside. The cases, with the report of the members by whom they have been investigated, are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicant being in attendance. Those who are admitted to the funds either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, or the Committee, according to the exigency of the case.
